9.3. Funds.

The Lead Participant shall cause the Custodian to establish a primary fund (the Government Fund) for the investment of Investment Property of the Participants. The Fund shall be invested in Permitted Investments pursuant to the criteria and policies contained in Exhibit A hereto. Notwithstanding anything in this Cooperative Agreement to the contrary, the Investment Advisor may, upon the direction of the Lead Participant and the Governing Board, direct the Custodian to establish other specially designated Funds, in addition to the Government Fund, with specified investment characteristics that may be more limited than the Investment Property but may not be broader. The Investment Advisor, in concert with the Lead Participant, may cause the Custodian to establish any such Funds once the Board and the Lead Participant have approved in writing the investment characteristics of any such Funds. If established, any such Funds shall consist only of Permitted Investments, and the investment characteristics of each such Fund shall be set forth in a separate investment policy

made as an exhibit to this Cooperative Agreement titled "Exhibit – A" with the applicable number being inserted in the blank and discussed in an Information Statement to Participants. The establishment of such Funds shall be deemed an amendment of this Cooperative Agreement as described in Section 11.2. According to the contribution and reporting procedures set forth in Section 2 and Section 7 hereof, a Participant may direct the Lead Participant to invest its monies in any of the established Funds. The Investment Advisor shall cause each such Fund to maintain accounts and reports separate from any other Fund. The Investment Advisor may cause to be maintained a separate rating on each such Fund. All provisions of this Cooperation Agreement and the Investment Advisor Agreement shall apply to any such Funds.

Such characteristics may include without limitation certain restrictions on amounts to be deposited, the types of Permitted Investments to be made, and additional administration fees as set forth in the Services Agreement. A Participant in its sole discretion may create such proposed special, individualized subaccounts within any Fund. Any special subaccount that is created pursuant to this Section 9.4 shall be subject to the terms and investment policies set forth in the proposal of the Investment Advisor until the terms governing such special subaccount are amended by the specific Participant with such subaccount. In order to amend such terms, the Participant must provide to the Investment Advisor a special investment policy governing such special subaccount. Such investment policy may not be broader than the Investment Policy of Government Fund attached to this Cooperative Agreement as Exhibit A or if a subaccount is created for a Government Fund, such investment policy may not be broader than the investment policy outlined in the exhibit corresponding to such Government Fund, and in no case shall it be broader than the investment policy contained in Exhibit A hereto. The establishment of such special subaccounts and the amendment of the investment policy for such subaccount shall not be deemed an amendment of the Cooperation Agreement. The Investment Advisor shall calculate the return realized by such special subaccounts separate and apart from the returns realized by other subaccounts maintained for other Participants.

EXHIBIT A

This Investment Policy restricts the New York Cooperative Liquid Assets Security System (NYCLASS) portfolio to the following and such other investments as may be authorized in the future for Participants under State law:

- It is the NYCLASS Governing Board's intention to maintain the value of each Participant's interest in the Cooperative investments at a stable value of $1.00.
- Any security issued by, fully guaranteed by, or for which the full credit of the United States Treasury is pledged for payment.
- Obligations of the State of New York.
- Obligations issued pursuant to section 24.00 or 25.00 of the local finance law (with the approval of the State Comptroller) by any municipality, school district or district corporation not participating in the Cooperative.
- Special time deposit accounts in, or certificates of deposit issued by, a bank or trust company located and authorized to do business in the State of New York, collateralized in accordance with the provisions of General Municipal Law, Section 10, or in accordance with all of the following conditions:

    1. The moneys are invested through a bank or trust company located and authorized to do business in New York.
    2. The bank or trust company arranges for the deposit of moneys in certificates of deposit in one or more banking institutions, as defined by section nine-r of the banking law, for the account of NYCLASS.
    3. The full amount of the principal and accrued interest of each such certificate of deposit must be insured by the federal deposit insurance corporation.
    4. The bank or trust company acts as custodian for NYCLASS with respect to such certificates of deposit issued for NYCLASS's account.
    5. At the same time that NYCLASS's moneys are deposited and the certificates of deposit are issued for the account of NYCLASS, the bank or trust company receives an amount of deposits from customers of other financial institutions equal to or greater than the amount of the moneys invested by NYCLASS through the bank or trust company.

- Special time deposits may be maintained only with, and certificates of deposits may be purchased only from, creditworthy banks and trust companies.
- Repurchase agreements and tri-party repurchase agreements with member banks of the Federal Reserve System and/or dealers in U.S. Government Securities which have a short term issuer credit rating (actual or imputed) of at least A-1 by Standard & Poor's.

- No more than 25% of the portfolio may be invested overnight with any one counterparty, unless the counterparty is rated A-1+ by Standard & Poor's, then no more than 50% of the portfolio may be invested overnight with such a counterparty.

- A Master Repurchase Agreement (e.g. The Bond Market Association standard agreement, 1996 version) and applicable NYCLASS annexes must be signed by all parties and on file prior to executing any transaction.

- Tri-party repurchase agreements are permissible with NYCLASS Board approved counterparties and 3rd party custodians (acting for both the party and the counterparty). Written Tri-party custodian agreements (in addition to The Bond Market Association 1996 standard repurchase agreement) must be signed by all parties and on file prior to executing any transaction. Tri-party repurchase agreements shall not exceed 30 calendar days.

- Collateral (purchased securities) shall be limited to the following and shall be indicated as such on Schedule 1 'Schedule of Eligible Securities' of the Tri-party custodian agreement: U.S. Treasuries (Bills, Bonds, Notes, Strips), GNMA I/II Others-Fixed Rate and GNMA I/II Others-Adjust Rate.

- Term repurchase agreements ("TRA's") are considered eligible investments under the following conditions:

    - For TRA's between 2 to 5 business days:
    - A maximum of 10% of the portfolio with any one dealer
    - For TRA's with maturities of more than 5 business days: A maximum of 5% of the portfolio
    - TRA's shall not exceed 30 calendar days

- TRA's shall fulfill all requirements of the 1996 version of The Bond Market Association master repurchase agreement.

- The Repurchase Agreements between NYCLASS and the various approved counterparties require that the aggregate market value of all Purchased Securities from any particular counterparty be at least 102% (the "Margin") of the aggregate Purchase Price of the Purchased Securities.

- The Board recognizes that market fluctuations constantly increase or decrease the value of securities; that there is value in maintaining ongoing positive relationships between NYCLASS and the various counterparties; that accepted practice in the industry allows minor deviations from strict application of margins; and that there is a cost of changing collateral securing repurchase agreements. For those reasons, the Portfolio Manager may use discretion before directing that a counterparty supply Additional Purchased Securities until such time as the Margin falls below 101.5%. If the aggregate collateral level of the counterparty falls below 101.5%, the Portfolio Manager shall notify the counterparty to provide sufficient Additional Securities to restore the margin to at least 102%. The portfolio manager will require additional collateral to return the margin to at least 102% on the next business day.

- The maximum final maturity per fixed rate security fully guaranteed by, or for which the full credit of the United States Treasury is pledged for payment is 13 months (397 days).

- The maximum final maturity per floating rate security fully guaranteed by, or for which the full credit of the United States Treasury is pledged for payment is two years (762 days).
